Our hearts, thoughts and prayers are with the Chase Family. May the many wonderful memories you shared as a family comfort you now and in the days ahead. I remember we were staying in Huntsville for a hockey tournament, it was 35 below zero, and many of the cars wouldn't start. We sent the kids with the few cars that did start and I came later with Mr. Chase. He drove from Huntsville to the Lake of Bays arena, along the ice packed, back roads at 120 km/hour, talking and laughing while I held on for dear life. It took me half an hour to pry my fingers from the door handle. RIP Mr. Chase you will be missed.

Bart, Rosanna and Family sorry to hear of the loss of your Father. Paul and I had many conversations with him at Sunset Village. Apparently Paul had met your Dad years ago, and we did not put two and two together until recently. We told him we have been friends for years thru Hockey connection. Thinking of all of you at this sad time. Linda and Paul Wilson

I was sorry to read about Cyril's passing. Cyril used to drop in to my parents' (Bill & Madge Ramsey cottage at Allenwood Beach to visit them and my grandmother, Rachel Birney who I recall came from the same town in Ulster as Cyril. Cyril, on one visit, lost his lucky coin, but I found it in the armchair he'd been sitting in. He has left a lovely legacy with his visions for Allenwood and I'm so pleased Bart is carrying on the tradition.

We are very sorry to hear of your loss! It's always difficult to say goodbye to someone that means so much to so many people. Grandfathers are particularly special, none more so than the ones that are willing to roll around the floor with their grandchildren!
