To the entire Jacobs clan our condolences on the passing of Muriel. She was a driving force in the community and spearheaded the original Flos-Elmvale Public Library in 1965. Without her hard work and vision we wouldn't be what we are today. Our thoughts are with you at this sad time.

Muriel was one of my mother's best friends and the Jacobs family was a significant presence in our family's everyday life and special occasions. She was generous with her time, her talents, and her home. We are sad to learn that she is gone; but we are all thankful for the many acts of kindness to our family during her long & fruitful life.
