Dear Aunt Doreen, As youngsters we just loved heading to the farm. You may recall that we would all go swimming in a local mud-hole. There was only fresh water as far as us kids were concerned. You were patient and calm as we ran about the chickens and over the fields in search of fox. Those memories are precious and you did so much to make our lives happy and to feel cared for. Thank you. dear Aunt Doreen. May the Lord bless thee and keep thee.

I am so sorry to hear of the passing of my sister. My sincerest condolences to the whole family left with this void. But hang onto the plenteous and wonderful memories now. xoxo Dode so sorry I wasn't able to come and visit. I can't drive long distances anymore by myself, my daughter Bonnie and I were planning something this summer...we'll just meet up in heaven someday. All my love to the family. My prayers are with you all. I do apologize but I will not be able to make the funeral neither. To the family, losing someone we love dearly is not easy, but knowing that we have been able to be a part of her life, we can take comfort in that. We're blessed to have been able to share in her life before she passed on. Again our condolences, The Racicot Family--(sister) Peggy, daughters--Bonnie,

PeggySue, Margaret, and Shelley.
