Ted will be missed by many people. Both Ted and Fran were very helpful when we made the big move from the city to Elmvale. Fran helped with my garden and Ted with every day changes. I loved running into him in the forest when he was cutting down trees and I was finding my horses. We had many chats out there. Our thoughts go out to the family .

I am saddened to hear of uncle Teds passing . His great smile and laugh lit up a room or backyard patio and will be truly missed . I didn't see him much over the last several years but when ever I did he always had time to talk , listen and share memories . A great , kind man indeed. My deepest condolences to aunt Fran and family.
