

JAMES ROBERT GLOVER

This is a grief that cannot be expressed, and he is a soul full of love and laughter taken from us far too soon. My one happy thought is knowing he and Ross will be looking down on us making hilarious jokes. James always reminded me not to sweat the small stuff and found ways to make light of any situation. Things will never be the same without you. Be in peace and love Jamo and see you on the other side. I love you Glovers. Xoxo

I was shocked to get the news from Michelle about James. I met James and had a grand time getting to know and love him, at Weighpoint. We were in the Georgianwood program together for about 1 month. He was an excellent story teller. He always had me laughing. I loved being in his company. He was like a son to me. He called me "mama bear" I will miss him dearly. I am so sorry for your loss. He was taken far too soon. My deepest sympathy goes out to all of his family and friends. Sincerely, Nina Rodgers

Words cannot describe the sadness we feel "". James, you always put a smile on our face whether in person or online. It didn't matter when we heard from you whether through your videos, chats at studs, etc. but you always made us smile. Rest easy sweet boy and be sure to hunt down Dubeau! You two are definitely capable of causing some Ruckus. To the Glover family, we hope you can find peace with all the memories and hold tight to one another during this difficult time. We are heartbroken at the loss of such a kind, gentle and unique soul in James. Our love and share of loss goes out to the Glover's and their extended families in both Canada and Switzerland. James touched our lives from the moment we first met him and throughout those far too few years that we spent time around him. His generosity in giving and support to our family when we were most in need, his presence,smile and "thinking man's zingers" will always be fondly remembered. Rest well James! Dear Jeff, Tess, Jin, Jesse and family ... Heartfelt and sincere condolences go out to all of you with the unexpected passing of James. Memories of Jame-O bring a gentle and caring smile to mind. James was larger than life in so many unique ways. He had the ability to bring out the most unusual opinions or ideas and then bounce back with a quick and unwavering sense of humour and laughter. His love for his family and friends was constantly expressed whenever in his company"you just knew James had a big loving nature. Always! James was one-of-a-kind...extremely KIND, compassionate, eye-opening and jaw-dropping, totally out there funny, unexpectedly frustrating, yet refreshingly special and so dear to all that knew him. Jame-O will truly be missed, but moreover he will always be affectionately remembered!
