My sincere condolences to the Jones family. I was fortunate to meet Brian and work with him during the turbulent times of the restructuring of Simcoe County. Brian always thought of people first. I remember the cigarette smoke filled committee meetings. Brian was instrumental in banning smoking during meetings when he found out that it made me nauseous. Always thoughtful and a gentleman.

I was saddened to learn of Brian's passing. I had the pleasure of being the CAO of Tay when Brian was on Council. He was such a great asset to the Township in that role and a pleasure to work with. As you go through life there are certain people that you feel fortunate to have known and Brian was one of those. Whenever I met him in recent years he always greeted me with that warm smile of his and a firm handshake. My sincere condolences to the family.

Hi gang. You know we count on Sheila to keep us informed of the goings on in the family, but she reminded us that she often turned to Brian for intel. We are lost for sure! i don't have one specific memory of your dad, what i know is for my whole life he has been a fixture. At every fair, picnic, funeral - he was a constant for me, a given, steady. And although i have lived miles away for years and years, its hard to actually contemplate a world where he isn't. My most sincere condolences in the loss of your dad, he leaves a big hole in your family, in the larger Jones clan and in the community where he contributed so much over the decades. I'll be keeping you all in my thoughts. Nancy (Jones), Steve, Kenzie, Riley and Jonesy Kay

I am a grandson of Fran Westman, Brian's longtime neighbour. Fran was happy to have Brian as a neighbour. My mother was reminding me the other night that, when I was little, Brian would stop his tractor, get off, and talk to me, even though he probably had dozens of things to get done. He was a good man, a good friend, a good person.

My deepest sympathies to Diane and the whole Jones family. Brian was a wonderful and special man. I feel very blessed to have had a lovely visit with him and Diane less than a month ago when Jen, Katy and I were on our way up north. He was just like himself! Spry, sharp, interested in hearing all the details of our lives. He was always "good craic" as the Irish would say, and I will treasure that

recollection of him.

Our community has lost a great man!! He was truly dedicated individual as witnessed by his involvement with the Cancer Society, Tay Township politics and his church. I will always remember the lengthy conversations we had during Brian's annual campaign visits on behalf of the Cancer Society. He was a bright and thoughtful person whose impact on the community will be greatly missed. Blessings to the family during this time of great sadness.
