Once again I find out in the local paper that a close friend has left us, and that made the last sit down with Debbie and Sadie that much more special. My condolences to the family. I will miss her!

Dear Brett, Connel and the MacDonald Family: We are saddened to hear of dear Sadie's passing. She and I had corresponded for 30+ years, from the time I was still living in Montana and after I had returned to my native Cleveland, Ohio, in the states. I kept all her letters. We met early on, in the Wasaga Beach area, when I was visiting the Porubanec and Szun relations in Winnipeg. Peace and prayers be with you all.

I just happened to come across this sad news. Sadie and I were friends at Coffee Time then Timmies. We had episodes of card playing etc. What a charm she was. She was wonderful with my Grandson too. When COVID hit it spoiled so much. I never had a chance to see her again because of this. I had no idea she passed in 2020. Awe Sadie I miss u. Please forever RIP. Much Love ☺ xoxo forever.
