

ELMER McFADDEN

Our thoughts and prayers go out to all of the McFadden families. Elmer was a dedicated volunteer / honorary Director of the Elmvale Fall Fair. His presence will be truly missed.

All the members send their condolences to Elmer's family. Elmer was a great member who rolled up his shirt sleeves to run leagues and bonspiels as well as taking a position on the executive for many years. Elmer curled into his 90's beating many of "the young guns" during the season. Elmer had many friends at the Club and in many clubs in our area. Even with our shorten season this year, Elmer was missed.

So sorry to hear of the passing of Elmer McFadden. Worked with Elmer in minor hockey for many years. He was a great mentor to me throughout the years and about how hockey should be run and he kept saying the game was for the kids and should stay that way. He stressed about going by the book and sticking by the rules. We got to be good friends outside of hockey also. He was made a life member of the OMHA and it was well deserved.. And with all his experience and knowledge, he was the best resource person you could ever want. Our condolences to the family. We lost a good person. Madge and Jack Twolan.

Condolences to all the McFadden family. Mr. McFadden was my public school principal in Woodbridge. I ran into him in Thornton when he was involved with hockey. One of my sons was playing so introduced him after the game. I will never forget him telling my son the way I got out of grade 8 because my Dad was chairman of the board that year. We had a good chuckle over that. Lots of special memories...may he RIP

Carol, Anne, David and Eric, So very sad to hear of the passing of your dad. I have many wonderful memories of the farm, our teenage parties and riding our bikes from Woodbridge to Elmvale, but especially picking stones. I just thought, how cool to pick stones from the field, put them on a trailer behind the tractor and take them to a big pile. Elmer, always the teacher, when I asked why we were doing all this work, just said. "If we don't, the equipment can get damaged and crops won't grow well". Lesson learned about the farm!! My mom, Marjorie Bagg taught under Elmer at Woodbridge Public. She always said she was grateful for his support toward Special Education, as that was her passion. Thank you to your parents for the many memories I have of times in Woodbridge and on the farm!! God bless, you all. Your parents are together again eternally forever. Kimm McCool (Bagg) and family.

As a young hockey player, I would walk through the doors of the Woodbridge Arena and walk down the ramp towards the top of the stairs, Up above painted in cursive writing were a bunch of words that I do not remember, except for "Elmer McFadden OMHA Lifetime Member" I was not a very good hockey player, but I did get to play simply because Elmer McFadden made house league hockey a reality in Woodbridge. Years later, my parents moved to Innisfil and my father took up curling. To his surprise, he ended up curling against Elmer, and that continued for several years. A few years ago, my son (and by extension myself as well) were having issues with both Essa Minor Hockey and the OMHA. Out of the blue, I looked up Elmers' phone number and called him. He knew exactly who I was, asked about my father and then was only too happy to offer some much needed advice. You know this already, but Elmer was liked and respected by anyone who knew him, for he gave of himself over and over. Peter Ferraro
