Hello, We were very saddened to hear of the passing of Linda but forever grateful to have got to know Linda and Everett and the family through the years. When I think of Linda I always thinks of her way of reflecting positively on things and her speaking of her enormous love of her precious family and friends. She was so proud of her very large family and each individual was so unique and treasured. I know she had an enormous heart and kept each person tucked away in a special place in her heart. Hugs and prayers

To Everett, Kathy, Karen, Robert, Rhonda, Robin and the family, My heartfelt condolences to all of you during this difficult time. I was Linda's Avon lady for many years. I loved stopping by with her order, as Linda loved her Avon and was always so excited to get her order. She loved the color red and it was almost a guarantee if Avon had a red outfit, red shoes or red jewelry, she was sure to have it. She was such a lovely person and always had a great smile/laugh. She was more than just a customer to me, she was a special friend. I will miss her dearly. Fly high Linda and please give my Dad a big hug from me. Hugs to all of the Marshall family.

The warmth and love Didi showed from our first meeting is something I will always treasure. Her sweet smile, infectious giggle and ability to wear bling like The King of Rock n Roll are memories I hold dear. The kind, generous and loving family Didi leaves behind is a testament to what a tremendous wife and mother Didi has been. Didi's passing leaves a big hole but she has rolemodelled how the loving support of family and friends can help get through the hard times. Sending much love to all of you. You hold a spot in my heart always.

When you are in the presence of the Marshall family you immediately become a member. Didi has had the innate ability to make everyone who meets her, even if it is just for a moment, feel loved. For myself and my brothers, we were taken in and shown the love only a grandmother could provide. Though my brothers and I don't remember meeting Didi for the first time, she is someone we will always hold dear. When I think of Didi she is dressed in red and covered in sparkles telling us to keep our hands behind our backs as we take a tour of the unofficial museum of Elvis Presley. -Love Lily, Jona and Jake
