Sending sincere condolences to Mary's family and all the extended family. I remember with fondness all our different visits and even going to schools together. The joy of growing up in a 'small town' and with many relatives and cousins. We had many various back yards, farms, picnics, and even the Bell's Park sandhills that all bring memories of family, cousins, and passing time. "Cousins are the ones we share the most beautiful memories of our lives with." and we have many memories to share. Hugs to all.

The Graham family would like to extend our deepest condolences to Mary's family. We got to visit with Mary and her family at Fran and Fred's events over the years. Grandma Graham always commented at the end of each visit "what a kind and lovely person Mary was" and we all felt the same. While we will all miss the warm hugs, the memories of her kindness, wit, and beautiful smile hopefully over time will make each of us smile again. We hope this will be the same for you - Brenda, Shelly and Shawn " your mom was so proud of all of you and your families. You were her pride and joy. She was truly blessed.

My deepest condolences to you Brenda, Shelley and Shawn. Your mom was such a beautiful person who inspired kindness and love in all of us. Her soft eyes said a lot about her and her constant smile, no matter what, showed us how to be hopeful and courageous. I admired her. Lots of love and strength to you. ☐

Just this week heard of Mary's passing. I want to express my condolences to all of her family. Have not seen Mary in years so was nice to see pictures of happy times. She was a beautiful and lovely person and will be missed by many. Mary was raised on the 8th Line of Flos in Springwater and we were neighbours and school mates. So sorry for your loss.
