

ALEXANDER PAUL MacPHAIL

We are so sorry to hear about Alex passing away. He always stopped at our corn stand every summer and we always had a good chat. He was such a pleasant man and we looked forward to seeing him. Our thoughts and prayers are with your family at this time.

I never had the pleasure of meeting him but he sounds like a lovely man who enjoyed a full and happy life. May you find comfort and joy in your memories of him.

Sorry to hear the sad news. He was a lovely gentleman and enthusiastic member of EDGE. He will be missed.

I am very sorry to hear of Al's passing. As a kid our family was fortunate to spend summers at the cottage next door to Al and Joanne and the rest of the MacPhail clan. I have many fond memories of Al. My sympathies are with the entire MacPhail clan.
