We were so sorry hear of Helen's passing. She was a good friend with such a great sense of humor. We enjoyed our friendship with many card games and shared meals with her and Russ. Our thoughts and prayers go to the family. Judith and Paul Turner

Please except my deepest sympathy with the passing of your mom, grandmother and great grandmother Helen. I enjoyed her company, her sense of humor and her dinners. She welcomed me with open arms to the family xmas dinners, we had lunches with my sister Catherine while planning Catherine and Marks wedding. Helen was my friend and I will miss hearing her voice. RIP my friend. Love Sharon
