So sorry to hear of Wally's passing. There are never any words that can replace the love he had for his family and the memories will be cherished down the road, but for now his funny little grin will fill that void. He was such a kind man and his pride for the liquid gold he produced year after year shone brightly in that one of a kind grin. Sending our love and condolences to everyone. Wally was a very special part of many lives and the Elmvale community.

Our sympathy goes to Wally's family and especially to Aunt Myrtle for their loss. I remember visiting their farm when I was a kid and Wally would made me laugh and feel at home. Always enjoyed a taste of the Maple Syrup too! Deb Green (Beamish) Ron Green and family

Dear Myrtle and family. I am so sorry for your loss. Wally was very nice gentleman who always had a cheerful word or two to share . He was Elmvale's Maple syrup Ambassador. His passion was producing awesome maple syrup and we were all so fortunate to be the recipients of his liquid gold products!! He was also very active in the church greeting the members and guest each week. Albeit, the last few years have been hard, his true character will always be remembered. God Bless.

Dear Greenlaw family : We had the pleasure of visiting your parents numerous times at their home. My father in law, who purchased Maple Syrup and turkeys off Wally introduced us. Your parents we're probably two of the kindest and nicest people who ever walked this world. May they both rest in eternal peace.
