You will be greatly missed my friend. May you rest in eternal peace. To Cathy, Chris and Meaghans beautiful children I am so sorry for your loss. Sending many prayers and lots of love to you all.

I am so heartbroken to hear of the loss of Meaghan. My thoughts are with Meaghan's entire family and friends during this difficult time. Although it's been many years since I last saw her, she was always such a bright and beautiful soul and the world is a little more dim without her here. My sincerest condolences.

My heart hurts for your children and mother. We grew up together. We watched each other grow up. Literally I think we were 5 years old when we met. I know over the years we lost touch but you were a significant part of my childhood. May you rest in peace. Sending love and strength to your beautiful babies ♥

Meaghan was vibrant and lovely person. It was a joy to watch her grow up, from a cheerful child, to an active teenager, to a loving mother. She lives on in her children and in our fond memories. My thoughts are especially with her mother Cathy, who dedicated herself to Meaghan. I hope she can find comfort in the close and wonderful relationship she had with Meaghan and knowing that she was 100% there for Meaghan from the beginning to the end.
