I am sending my heartfelt condolences to Sue and Shawn and all the family. I did not know John real well but heard so many good things about him from my husband Doug. Doug worked closely with John at the City of Barrie's Wastewater Treatment Plant and had much respect for John's work ethics. John also coached our granddaughter Jocelyn's Elmvale Coyotes hockey team which was the same team that Shawn played on. I hope that you all find comfort and warmth in all of the wonderful memories you have of John. •

Susan, we are so sorry to hear of John's passing. Unfortunately, we were out of the country and were not able to come to the visitation or funeral. Our thoughts are with you, Shawn, and family. Tom always spoke so highly of John, and had so many great memories of when they worked together.
