

HELENE PETERSEN

So sorry for your loss. Aunt Helen was always kind and welcoming to myself and my children. She will be missed.

Please accept my deepest condolences. Britta is my childhood friend and I fondly remember how welcoming and how kind Mrs. Petersen was to me on ever visit to her home. I remember her enjoying Hill Street Blues piano duets i did with Britta too. She really was a warm and caring person. Saying my prayers for Helene and the entire family. God bless. I remember my frist time we meet 48 years ago. And you always had a big smile for my wife & I lots of cake. As the years went by you always showed that big smile & cake for our growing family. We will miss you , Your endless smile & the cake. But my family will always have you in our hearts. Give mom a big hug for us. The Haidenschuster
