I worked with John at 33 Division in the 70's and 80's. He was a great guy and an excellent Police Officer. When John and Joan moved to Barrie they bought the house on Cumberland Street next door to my Aunt Mary. I am so sorry for your loss.

John and I worked together in the Old Clothes/ Plainclothes and CIB offices, he was a great teacher and a dedicated member of the service. One of my fondest memories was finishing Johns basement while being supervised by his wife Joan. We had many laughs and shared numerous games of pool. My thoughts and prayers go out to the Couper family.

Jason and Blair, I met you many times, when you were infants, at your home in Scarborough while visiting your mom and dad and I'm so sorry to hear of your Dad's passing. I worked with 'Big John' in the Old Clothes Office at 33 Div. in the early 80's. As a Sergeant, 'Coup' was the definition of leader, teacher, mentor and so much more. Please accept my sincere condolences and know you're in my thoughts and prayers going forward. John lived his life in peace and now, surely, he will rest in peace. John and I were childhood friends when his family lived on Lee Ave in the Beach. He moved to Scarborough when we were just kids. Although our paths never crossed while we were on the job I never forgot about our friendship those many years ago. So sorry for your loss.

Have know COUP since the 50's when we attended Agincourt CI. He, Joan and I were in the same grades during those days. COUP and JOAN were two of the best. Remember talking him into joining the police back in the 60s. Was always a class guy & enjoyed many games of golf with him. RIP my friend. Condolences to the family. Just a great guy.
