Adrian and I were in the same real estate office in Kitchener from when it was Prudential and now Royal LePage Grand Valley. I recall having some inspirational conversations with good laughs with him. Adrian was a good spirit. May his family have all the love and comfort they need to get through their loss.

Our condolences! Adrian helped us get our first home in Waterloo in 2015. I lost contact with him when you moved from Kitchener, but we hope that he enjoyed the years at the new place, he was happy that you will be closed to your daughter. I got my realtor license because of him, as I told him when we purchased the house, so he can be my mentor. I'm sorry that I did not get the opportunity and that you lost a great person. God bless his soul!
