One of my favourite besties during our high school years and as I recall, I was at her house more than I was at my own. Her Mom & Dad, and brother Doug & sister Peggy must have thought I didn't have a home of my own. Oh, the crazy, fun times we had!! Loved that girl to pieces. She was loved by so many due to her compassion, quick wit and overall wonderful personality. Prayers for her family. Judy Pennett (nee McClung)

Judy could light up any room with laughter and joy and brought this to our dragon boat. She was beyond proud of her granddaughter and family. You will be missed but never forgotten! Thank you for all your hard work promoting our team. I would say rest in peace but somehow I think heaven has a party planner!
