

FLORENCE MARGARET BROCK

Sending sincere condolences to the family of Florence. My Mom, Vera and Florence were "neighbours" at Hillcrest Village and frequent card players--Highest card take/War was their go to!

As a former Wyevalle girl I remember Mrs. Brick at all the big Wyevalle events. She was always an involved community member. I'm sure she will be happy to be reunited with Ike. My condolences to all her family and friends. Kim LaBrash (Webb)

Our sincere condolences in the loss of dear Flo. She was a special lady who brightened up any room she entered. She had a charisma that you couldn't resist. I remember being included in the many birthday tea parties that she attended or hosted when she lived in the village across from where we lived. I was a young mother and wife and enjoyed her friendship. RIP Flo

I will always cherish the time I spent with Aunt Flo at hillcrest, Bluewater Beach, Parry Sound and Florida. She was a remarkable lady. I'm sure she has been reunited with Uncle Ike and the rest of the Brock clan. Condolences to Ellen and family. Rest in peace dear Flo.

My condolences to Ellen and family. Cousin Ike and my mother Aldene Chew enjoyed each other's company over many years. I remember summer dinners with Ike & Flo visiting us and Flo was sure to comment on my tan (or lack of!). I last saw her at Hillcrest and she may not have recognized me but at the mention of my mother's name, she remembered her. A sweet moment!

So very sorry to hear of Aunt Flo's passing. She was a wonderful lady and as a couple her and Uncle Ike were always present in the Wyevale community. I have many memories of both of them. Ellen, and family, I know that you have been a very special person for her these past many years. Sending hugs your way, I am sure that this woman will leave an impact on your life and many others.
