Dear Ute, Vibeke, Soren and River We are so sorry for your loss. Villy was a kind and thoughtful man that I had the pleasure of working with everyday at the vet clinic. We had many life discussions and I always enjoyed his positive outlook. After his retirement I looked forward to his annual Christmas letter and birthday call that always brought smiles and cheer! He will be missed. Our deepest condolences. Dianne and Alan and family

We are very sorry for your loss. The little bit I knew Villy around vet work on our farm and in the clinic, he was an inspiration.
