

DONALD EARLE LAKE

To the entire family of Donald Lake, what a wonderful man he was...I was a cashier at Elmvale Foodland and your dad was one regulars at the store , his smile could light up the room and his sense of humour was infectious. Please except my condolences. Rest In Peace Don

Dave, Donna,Ken,Kathleen.... Not sure if you will get this as so much time has passed but I thought I would try. I came across this obituary completely by chance and even though I am two years too late, I thought I would send you my condolences and tell you what a great friend to my parents your dad was. I tried to find Don so many times when my mom was ill but I was not successful. I miss your parents and mine so much and hope this message finds you.
