

DONALD BRUCE HACOCK

I did not know Donald but saw his Obit. yesterday and noticed, like me, he was former Metro Toronto Police. I passed along his Obit info to our retired Officer's web site. It received many posts and he was remembered fondly by many fellow officers who had worked with him at 23 Division. Described as a great guy who always had a joke to tell. We send our condolences.

To Jean and Family, My sincere condolences for the passing of Don. I used to call him the Big Guy. I worked with him quite frequently in 23 Division on C platoon. He was such a wonderful kind man but I remember a few smart talking young guys under arrest that would think twice when Don took off his jacket and they saw how big he was. Or the time that he told me he arm wrestled the strong cook at Swiss Chalet for a free lunch. Don won of course and brought back a 'whole' chicken dinner...lol...I was truly saddened when I saw this notice, and although I am working Saturday and won't be able to attend, I wanted to send my thoughts, prayers and condolences to you. He was one of a kind and I will always remember the Big Guy. God Bless...Joanne Stevenson PC # 52, 23 Division C Platoon, TPS, 1988-1993
