Very sorry to hear about your mom, just heard today, talked with on the phone about a year ago. Always held her with highest regard , can still remember some of the Sunday school lessens from her as a child. My deepest sympathy

Very sorry for your familys loss. My wife Edna and I loved picking berries and reaquainting ourselves with the family. We were invited in to your house to say hello and try all the wonderful recipes that violet would graciously give us to try. May she rest in eternal peace.
