

MAUREEN PATRICIA CARROLL

My Beloved Mother, Every moment we shared is etched in my heart. Mom, our connection was beautiful and profound. From decorating your room at the nursing home to our visits and the diamond crosses we shared, we were together in spirit and love. Life couldn't have been better, and the laughs and tears we shared are forever with me. Your love and the warmth of your wisdom have always been my guiding light. Although I was unaware of your passing and couldn't be with you in your final moments, it doesn't change a thing. As your namesake, I carry your legacy with pride and honour. I cherish every memory and hold you close in my heart and prayers. I miss you dearly, always have and always will. With all our love, Maureen, Paul, Andrew and Michael.

Dear Carroll Family; Maureen was such a vibrant and beautiful person. She always welcomed you with a sweet and a cup of tea. She would make us laugh just her wittiness in conversation. Growing up both Maureen and John welcomed me into their beautiful home, always saying God bless before we left. Those words made me feel protected and loved. In high school she made the best meat pie and

fries and always gave me extra gravy and fries. Maureen, now you are with the love of your life, sitting at the bar toasting to all you left behind. Rest in peace I send my love and deepest sympathies to the entire family. I wish you all peace and support during this time of sadness.. God bless and be well ☐’

So deeply sorry to hear of the passing of one of the most amazing Malton neighbourhood Mom's. Maureen Elizabeth my mentor who took care of me and whom I still idolize today; Barry the amazing hockey coach to my brother with your amazing wife Joanne who was my amazing dance teacher and mentor. Ursula. I watched you grow up being taken care of by your amazing sisters Deidre and Maureen, and also yourself becoming a mentor to many girls in the dancing world. Rory the best friend of my backyard neighbour Les. I am so deeply sorry for your loss. Your Mom, also giving generations of us kids her best and hard work taking care of us at school- all the while with her family all helping out each other. You're whole family, all well loved in every generation of friends where we lived on the streets around you. Hockey arenas, baseball fields, dance studios. Your Mom couldn't have been more blessed to have such a wonderful family. She is with you all. Love always, Norine Elizabeth Smith
