I send my sincere condolences during this time of sorrow. The Bible gives a comforting hope that your loved one will come to life again on a beautiful paradise earth when death will be no more in John 5:28, 29 and Revelation 21:4.

My Deepest a d Heart Felt Condolences. Cathy was truly a lovely sweet lady. I give very close to her and loved her dearly. I will miss her deeply and greatly. I'm glad I got in a few days before her passing to see her. We had a Wonderful conversation together in which we smiled and laughed. I remember telling her how much I loved her and how important she had become to me. And that it has been a preledge and an honor to have gotten to meet her and get to know her. I will miss her very much and it will not be the same going in there to work and knowing I won't get to see her and have our vists and chats. She will be missed. Sincerely Christina Allen.
