Michelle and Family. I wish my first time meeting your family was under different circumstances. My heart really goes out to you and your family for the loss of what I little know that I was told that Shawn as a man was a great husband and father. Im so sorry for your families loss.

My deepest condolences to Michelle, Tanis, Paisley and the rest of the family at this difficult time. I was lucky enough to know Shawn through my friendship with Pais. He and Michelle always welcomed each of Pais' friends into their home with welcome arms. Whether it be driving us to parties, to allowing all the girls to stay at the house, to having drinks with us on the back deck, Shawn did it all with a smile on his face. Shawn's love for his family was evident, each time I ran into Shawn in town he always spoke of his girls. May he rest in peace, pain free and be reunited with his loved ones who have passed. My prayers are with the family as they grieve this loss of their Husband, Father and Grandfather. Xo Ad

Condolences to all of Shawn's family. My friend from Grenfell - we biked to school, played Intellivision, tennis, catch with a baseball, swam in the McKelvey's pool and so much more. A lot of reflecting to the 1980' seeing this obituary. I am deeply saddened.

Shawn was a great man for sure. We were lucky to have met him early on when we were still young adults. I'm sure my dad was in that first group to welcome him to the skies.. he sure loved Shawn like so many did. I hope all of the family can take solace in the fact that he is no longer in pain and is smiling every day again!
