So very sorry to her of John's passing. Russ & I were one of those young people starting out many years ago, who John helped with the purchase of our new home, then setting up our wills. We both worked on the main street of Elmvale, and knew John's routine of having a coke instead of a coffee on his coffee breaks. Always had a friendly smile, and a kind word. We will miss him dearly. Deepest sympathy to Terri & family.
