So sorry to hear of Frank's passing. He and Doreen were our neighbour's and such a loving couple. We would often chat while he bbq'd or when he sat outside and enjoy the nice weather. Frank was always so kind and often shoveled our driveway before I'd get the chance to get out there, he always had candy in special bags for our Girls at halloween, checked in when he knew someone in the house was sick. He really was a wonderful man. May he rest in peace with his beautiful bride.

So sorry to hear of Frank's passing. My heart hurts at the news. So many memories of my big teddy bear cousin. His time out west was some of the best times of my life. I am unable to attend the services but I will have an ice cream on the day and think of my dear cousin. Love to his family, and sisters.

Tammy and Kevin, your dad was such a great human. Randy and I really enjoyed our time with him (and Doreen) when we visited them. I was so grateful when Frank came to my mom's interment.
