Sorry to hear of Marie's passing. We had a lot of laughs at the Curling Club. She was also my neighbour and I would often meet her on the street walking our dogs. Rest in peace my friend. Sandy Owen

Our deepest condolences to a lovely lady who our family got to know well over the years attending the Curling Club. A great bartender but a better person who knew all the kids names, often asking about them and giving them a treat anytime they were there. Rest in peace Marie. You will be missed.

I was so sorry to hear about Marie. Please accept my heartfelt condolences. You were both great neighbours to Larry and I when we were in Elmvale. It was because of Marie and her love for her little dogs that we ended up with one as well after we moved to Midland. Take care Roy and God Bless you and the family at this sad time.
