

MARGARET DULCIE O'NEILL

My condolences to you Gary and Audrey. Marg was always such a cheerful character who I knew not only from the Parish of Elmvale but also through the library - as I work at Midland Public Library. She will be remembered fondly by all.

Dear Garry and Audrey I enjoyed working with Marg at Elmvale library. She always had a fun story to share ... those pauses and knowing looks followed by a joyous laugh! I'm very sorry to hear of her passing. Peace to you both

I loved seeing Marg in the library. She had a raucous laugh and we'd talk about books and life and funny stories. I will miss her. She was and is a gem.

I remember first meeting Marg with Audrey at storytime held in the OLD library when my children were young. Every encounter with Marg was enjoyable and I will miss running into her. She was a wonderful and caring person. Gary and Audrey please accept my very sincere sympathy. She will be missed.

My family was saddened to hear of Marg's death....such a bright and happy person who greeted myself and our children at the libray each week when they were young! She always took the time to ask about them and help them find just the special book to take home to read....we will feel her absence in Elmvale....how sad that we now appreciate and applaud her in that absence.
