

STEWART NETHERTON

Stewart's generosity and talents were enjoyed by hundreds of amateur musicians and audience members. He was a key part of getting the Don's Coffeehouse Hillsdale venue up and running. I will forever hear his voice, his chuckle and remember his caring character. We need more people like Stew in this world.

Stew, we miss your smile and wit. The Wasaga Taoist Tai Chi Branch will remember you driving in from Elmvale on your motorbike to practice the Art of Tai Chi with us. We shared lots of good times together. Lois Kowal and Jill Fuller
