Larry, Dean, Michelle, Kari, Lori, Mary & each of your families; our thoughts are with you all at this difficult time. Luella was a very special lady who always had a smile & a pleasant greeting no matter where we crossed paths. She & Larry were the "wedding photographer team" back in the day when many in the Elmvale Community were married. No Bride ever walked down the aisle without her veil & dress being in perfect position. Luella will be missed by many ~ May she Rest in Peace.

Larry, Dean, Michelle , Kari and families; my deepest sympathy on the loss of Luella (wife, mother, nanna, friend). Luella was an incredible woman; strong, determined, kind and deeply devoted to her family. Her presence was a force of love and strength. Her attention to detail and style was evident in her beautiful home, her fashion sense and much appreciated in the many wedding photographs she and Larry were part of in the photography business. She liked to keep her calendar full and was always up for a shopping trip or an event. With the help of her loving family she was able to live a full life, despite her deteriorating health. She leaves behind a powerful legacy of resilience and strength. Please know that I am holding all of you in my thoughts and prayers as you navigate through this difficult time of loss. Love, Gerri

To Papa (Larry), Mom (Kari), Aunt Michelle, Aunt Lorrie, Uncle Dean, and to my cousins Dustin and Brandon We want to share how deeply Nana will be missed. Her feisty attitude was one of a kind, and we will always smile remembering her daily requests for wine and Portuguese tarts. Josh and I will never forget our last game of dominos with her”how she taught Josh to play, only for him to win, and her accusing him of cheating with that spark in her eye. We’ll hold close the memories of our Costco trips, and the day we went to Herbert’s to pick out our cowboy and cowgirl boots for the wedding. We’re forever grateful that Nana was not only able to attend our wedding but honored us as our ring bearer, sharing in that beautiful day. Just a week before her passing, she gave us the gift of one more birthday dinner for me”singing “Happy Birthday” with such energy. We will both treasure the weekly dinners we shared with her, holding her hand and cooking for her, moments now woven into our hearts forever. Though it’s so hard to say goodbye, we find peace knowing she is resting comfortably now. We love you all and are keeping you close in our thoughts and prayers as we move through this difficult time together as a family. With love, <3 Shailah & Joshawa

My sincere condolences to Larry and family on Luella's passing. Although my cousin Luella and I weren't able to meet often, we kept in touch through letters and cards over the years ever since we were kids. Some of my fondest memories are of visiting the Stone farm with my family during the summer. Luella was always friendly and fun to play with. As the years passed, when we got together, she always had a kind word and warm conversation, especially when we shared old family stories and photos. I will surely miss sharing family secrets with her. My deepest condolences to all.

Oh Larry, there are no words at a time like this. You are heart- broken to lose the love of your life, and rightly so. Luella was an amazing and beautiful person and loved by everyone. I so well remember all of us high high school girls gathering at your place when Dean was born. There was Judy & Francie Stone, Nancy Storey, Linda (Goose) Gosling, myself and so many others. We all have to cherish the memories don't we? And, you were the photographer at our wedding, (Judy & Wayne Pennett married March 9, 1968). My prayers and condolences go out to you, your children and grandchildren.

We had the chance to meet the memorable Luella through many years at the rink and travelling the world together. She always showed her fierce spirit and unwavering love for Larry and her family. We were fortunate to share many celebrations and meals together and will never forget her 'I simply can't finish this plate of food - with only one bit left' - type of attitude. We are lucky to have been a part of Luella's life and will remember all her stories, strength and love. Sending our condolences and strength, Shane, Jen and the Dennison family

Dear Larry and family members, my sincere condolences to each of you. My relationship with Luella go back to high school years when we met then became good friends; enjoyed some classes together and certainly joined as many sports teams that allowed us a position...we also shared the 'red and white' on the cheerleading team. She was tiny but energetic and high-spirited, kind and special qualities. At Brentwood marina we met again in later years and visited several sunny afternoons on our boats. Larry keep your endless memories close to your heart. Our thoughts and prayers are with you. Best...Rhodell and Tom Ambeau

Luella was my oldest and one of my dearest friends. Even though we were miles apart most of our adult life when we got together we were 8 years old again and revelling in the many hi jinx we got up to around Elmvale in the 50's and 60's. Some of my fondest memories. Rest in peace dear friend and know that you will always be loved and appreciated. My fondest thoughts and much love to Larry and family in your deep loss Peggi
